

BETTER BREASTS

Give your breasts a break!
Soothe sore nipples, hide leaks,
or ease engorgement discomfort.
Whatever your breasts need, Yummy Mummy
has the product to provide relief.

Nipple Cream

Sore nipples are quite common in the first few days of breastfeeding. Treat them with a safe, topical nipple cream.

Nursing Pads

Protect your shirts from embarrassing leaks with safe and absorbent nursing pads.

Hydrogel Pads

These pads, which tuck right into your bra, provide cooling relief for sore nipples.

Lily Padz

Lily Padz are non-absorbent nursing pads that offer a more fitted look than traditional nursing pads and work perfectly under slinky tops or body-hugging dresses.
