GREAT GIFT IDEAS

Looking for the perfect gift for the soon-to-be or new mom?
Here are a few great gift ideas!

Under \$100

Nightgown

Give a new mom the gift of style and comfort with a nightgown specially outfitted with a discreet nursing slit for breastfeeding. Perfect for her pregnancy, hospital stay and night nursing sessions.

Squeem

Watch a new mom 'squeem' with delight as her Squeem top instantly reduces her waistline.

Nursing Shirt

A practical and stylish nursing shirt keeps moms' bosoms and bellies covered while feeding

Total Body Pillow

Designed to follow the body line to offer support and realignment for the neck, belly, back and hips. It provides the ultimate in comfort before, during and after pregnancy.

Breast Pump Tote

This tote will let her carry her pump and accessories in style. Designed for function as well as fashion, it is ideal for going to work, the park or on a play-date.

Under \$50

Nursing Pillow

Help a new mom get comfy with a nursing pillow that aids in proper positioning and latch.

Nursing Cover-Up

These lightweight cover-ups enable new moms to breastfeed comfortably anywhere and everywhere.

PumpEase™ Hands-free Pumping Band

Give her the gift of 15 minutes of free time with a pumping band that frees up her hands while pumping.

Mama Mio Pregnancy Essentials Kit

This safe, award-winning body lotion essentials kit protects against stretch marks and sagging so she will bounce back quicker after baby. This kit contains firming cream, Tummy Rub Butter with award winning stretch mark protection and Lucky Legs which feels like a mini spa treatment to relieve swollen legs and feet.

Muslin Swaddles

These soft swaddle blankets are incredibly versatile. They can be used to swaddle your baby, be draped over a stroller to shade a napping baby and even be used as a nursing cover in a pinch.
